

Important information

- The Fund invests in a small number of sectors (i.e. gold mining) and smaller companies which may be subject to greater volatility than more broadly diversified portfolios and less liquid than shares of larger companies respectively. The Fund offers exposure to commodities and may include additional risks, such as political risk, natural events or terrorism. Equity investments could be volatile and subject to high risk of loss. The Fund may be also subject to exchange rate fluctuation risk.
- The Fund may use derivatives for hedging and/or efficient portfolio management purposes and may be exposed to significant risk of loss when the use becomes ineffective.
- In adverse situations, the Fund may suffer significant losses. It is possible that the original amount you invested could be lost.
- Investors should not solely rely on this document to make investment decisions.
